

Board Announcement

Ms Perpetua Chimeura

Following her election at the Annual General Meeting of Zimre Holdings Limited (ZHL) held on 30 July 2026 and requisite regulatory approvals, the Board of ZHL is pleased to advise members and stakeholders of the appointment of Ms Perpetua Chimeura to the Board of Directors effective 30 July 2026.

Perpetua is an accomplished Executive with extensive experience in digital transformation, technology governance, development finance, and strategic leadership. She has successfully led enterprise-wide technology and business transformation initiatives, driving operational efficiency and sustainable growth. Through her work in development finance and investment facilitation, she has contributed to financing and enabling strategic projects that support Zimbabwe's National Development Strategy objectives, fostering economic growth, infrastructure development, and financial inclusion. She has worked in Telecommunications, Banking, Mining and presently, Social Security as an Executive at the National Social Security Authority (NSSA). A holder of an MPhil in Development Finance from Stellenbosch, an MBA from Africa University and a BSc Honors in Electronic Engineering from NUST, she also serves on the Board of the Africa Institute of Artificial Intelligence (Aiaa).

The Boards, Management and Staff across the ZHL Group welcome Ms Chimeura to the team and look forward to her invaluable contribution.

By Order of the Board

D Matete

Board Chairman
